Be the Church—Part 35

“Paul’s Appeal to Rome”

- Paul's time before the Roman governor Festus and his appeal to Caesar provided Paul more opportunities to share the Gospel.
- We should trust God's timing and purposes for our lives, using every opportunity to share the Gospel.
- What can we learn from Paul about using the opportunities to share the Gospel?

2. Public forums give us a place to share. vs. 10-12, 23

4. God's timing is always the right time to share. vs. 23-27
